HISTORY OF THE CENTURY

THE CENTURY was founded, and its first Constitution adopted, January 13, 1847. One hundred gentlemen engaged or interested in Letters and the Fine Arts had been invited to join in forming the Association, of which number forty-two accepted the invitation and became Founders. Forty-six others joined during the year.

While the first Constitution did not mention any limit to membership, the intention of the Founders was to set the limit at one hundred members, which made them give the new Association its name, THE CENTURY.

On March 7, 1857, it was incorporated by an Act of the Legislature, which was amended March 29, 1883.

The following table shows the limit to membership as declared by successive constitutional amendments:

<i>Date of Amendment</i>	<i>Limit of Members</i>
March 5, 1853	200
March 7, 1857	250
May 7, 1859	350
February 1, 1862	400
April 7, 1866	500
February 6, 1875	600
December 5, 1885	700
May 3, 1890	800
February 6, 1892	1000 <i>Resident</i>
February 6, 1892	300 <i>Non-resident</i>

<i>Date of Amendment</i>	<i>Limit of Members</i>
December 3, 1921	400 <i>Non-resident</i>
January 14, 1928	500 <i>Non-resident</i>

From the spring of 1847 to the spring of 1849 it occupied rooms at No. 945 Broadway.

From the spring of 1849 to the spring of 1850 it occupied rooms at No. 435 Broome Street.

From the spring of 1850 to May, 1852, it occupied rooms at No. 575 Broadway.

From May, 1852, to the spring of 1857, it occupied the house at No. 24 Clinton Place (now No. 46 East 8th Street).

From the spring of 1857 to January 5, 1891, it occupied the house at No. 109 (old No. 42) East Fifteenth Street.

On January 10, 1891, it removed to its present Club-house, No. 7 West Forty-third Street.

On May 4, 1901, John Bigelow and Parke Godwin, only surviving members of *The Column*, a literary society founded in 1825, presented to The Century the privileges of fellow-membership with them. The silver memorial column bears a lamp which since 1858 had burned at every meeting of *The Column* and is now lighted at each gathering of The Century.

Report of the Committee on Literature

The Committee on Literature feels that the Club library should strike a balance between books of merely passing or trivial interest and books gathered primarily for research and extended investigation. It has felt privileged to work with the Archivist in his efforts to develop source material for the history of the Club, partly by bringing together writings of members, thus furnishing a striking indication of the wide extent of the intellectual interests of the men making the contemporary history of the Club. It joins with the Archivist in earnest hope that adequate accommodation for this important and instructive group of books may soon be assured.

During the year, the library acquired, by purchase or dona-

tion, 167 books. The donations were made by the following members:

The foregoing roll of 43 names is considerably shorter than the average in recent decades. But for brilliance of achievement as for salience of personality, its members ranked among the most distinguished names on the club list. Every field of the mind has paid a heavy toll; every room in the club will mourn a devoted and beloved companion. As indicated at the end of the 1939 roll, one death unreported in 1938 must be added to the grievously long list of that year, bringing its total to 57, within one of the highest in the last quarter-century.

ARTICLE VI

OF THE MEMBERS

§ 1. The number of *resident* members is limited to one thousand.

§ 2. Any member who, having paid the entrance fee and the dues for one year, is absent from the United States for a continuous period of not less than twelve months shall, during his absence, be exempt from the payment of dues, provided that he shall have given to the Treasurer previous notice in writing of his intention to be absent. Absentees shall not be counted in the limitation of the number of *resident* members. In case the return of absentees shall increase the number above the limit prescribed, no new *resident* members shall be chosen until the number shall be reduced by resignation or otherwise below such limit.

§ 3. There shall also be a class of *non-resident* members, not exceeding five hundred in number, to consist of persons residing permanently more than fifty miles from the New York City Hall, and having no office or place of business in New York. [Amended January 14, 1928.]

All officers of the Army and Navy, who are now members or who may be elected to membership, may at their option be held to be *non-resident* members during the tenure of their commissions.

§ 4. No person shall be admitted as a member of the Association unless he shall have been recommended by the Committee on Admissions, on the proposal of two members not belonging to that Committee.

The name of every person proposed for admission, whether as a *resident* or a *non-resident* member, with his residence and

the names of the members proposing him, shall be posted in the rooms at least fifteen days before being acted upon by the Committee. The Committee shall receive and consider all communications in reference to the persons proposed, and make careful examination as to their qualifications; it shall pass upon each name separately, and two negative votes shall be a rejection of the candidate. The proceedings of the Committee shall be secret and confidential.

At every monthly meeting of the Association the Committee shall furnish printed lists, properly classified, of the names of the persons recommended for admission, not exceeding twenty in number, and the Association shall then proceed to vote by depositing the lists with tellers appointed by the Chairman. The erasure from the list of any name shall be considered a vote in the negative, and such negative votes to the number of one-fifth of the votes cast shall exclude from membership the person against whom they are cast.

No person so excluded shall be eligible for election within twelve months thereafter.

§ 5. *Non-resident* members may at any time, on and after the 30th April, 1896, be transferred from the list of *resident* members upon application in writing to the Treasurer. The members so transferred shall not be entitled to reimbursement of any part of the entrance fee.

Non-resident members shall be entitled to all the privileges of the Association, except the right of voting and of holding office. They shall be subject to the Constitution and By-Laws and to all the regulations of the Association.

§ 6. The Secretary and Treasurer, two weeks previous to each monthly meeting, shall determine the number of vacancies in

each class of members and certify the same to the Committee on Admissions.

§ 7. An entrance fee of one hundred and fifty dollars shall be paid by each *resident* member, and of one hundred dollars by each *non-resident* member.

Such payment shall be made within thirty days after notice in writing of his election; or if within thirty days after such notice the member gives written notice to the Treasurer of his desire to do so, such payment may be made in four instalments, each of one quarter of the amount of the entrance fee; the first instalment shall be payable within thirty days after notice of his election, the second instalment within six months after such notice, the third instalment within twelve months after such notice, and the fourth instalment within eighteen months after such notice.

In default of such payment of the entrance fee, or the first instalment thereof, within thirty days after such notice, the member shall be deemed to have declined his election unless the Board of Management determines otherwise.

If any member fails to pay a subsequent instalment of his entrance fee when due, he shall be notified thereof in writing, and unless such instalment shall be paid within one month after such notice he shall thereupon cease to be a member unless the Board of Management determines otherwise. [*Amended January 14, 1939.*]

§ 8. The annual dues of *resident* members shall be ninety dollars, payable semi-annually in advance on the first days of May and November; and the annual dues of *non-resident* members shall be forty-five dollars, payable on admission, and on each first day of May thereafter.

The dues of all newly-elected members shall be computed proportionally from the first day of the month succeeding their election.

When the dues of any member shall remain unpaid for the space of three months, the Treasurer shall cause him to be notified that, unless the same be paid within one month thereafter, his membership will cease; and in case such dues shall not be paid pursuant to such notice, or such default be accounted for to the Board of Management, he shall thereupon cease to be a member.

In case any member elected to the *non-resident* class shall come to reside within the radius before named, or shall establish an office or place of business in the City of New York, it shall be his duty forthwith to notify the Treasurer of the Association in writing of such change, and he shall then be deemed a *resident* member with annual dues accordingly, and he shall also pay to the Treasurer within thirty days the additional amount of entrance fee necessary to constitute him a *resident* member; in default of such payment he shall cease to be a member.

It shall be the duty of each member to keep the Treasurer informed of his address.

§ 9. Honorary members may be elected from the membership of the Association on the recommendation of the Board of Management, at a regular monthly meeting, by unanimous vote by ballot. No more than one honorary member shall be chosen in any one year. Honorary members shall be exempt from the payment of annual dues and shall be entitled to all the privileges of the Association except that of holding office.

§ 10. Any member may be suspended or expelled for violation of the Constitution or By-Laws, or for any offence or mis-

conduct which may be deemed sufficient to warrant such suspension or expulsion, by a vote, at a monthly meeting, of three-fourths of the members present, one month's previous notice having been given to the member charged. It shall be the duty of the Board of Management to report any member for action under this rule.

The Board of Management shall also have the power for a like cause, by the affirmative vote of eleven (11) of its members, after a hearing has been granted on one month's previous notice, to suspend any member from all privileges as such member indefinitely, pending further action; but any member affected thereby may require the resolution of suspension to be reported to the Association.

Membership may also be forfeited by failure to pay any indebtedness to the Association, in such manner as may be prescribed by the By-Laws.

§ 11. In the rooms of the Association, betting of any kind is strictly prohibited. [*Amended November 5, 1927.*]

ARTICLE VII

OF MEETINGS

§ 1. There shall be an annual meeting of the Association for the election of officers and members and other business. It shall be held on the second Saturday of January of each year, at 9 o'clock P.M.

§ 2. There shall be monthly meetings of the Association, for the election of members and other business. They shall be held on the first Saturday of December, February, and March and on the first Thursday of April, May, June, and November, at 9 o'clock P.M. [*Amended November 3, 1928.*]

§ 3. Special meetings may be called by the Board of Management; and they shall call a meeting at any time on the written request of ten members, which request shall specify the object of the meeting.

§ 4. The number of members necessary to constitute a quorum at an annual meeting shall be fifty, and at a monthly or special meeting shall be thirty.

ARTICLE VIII

OF AMENDMENTS

§ 1. This Constitution shall commence and take effect on the second Saturday of January, 1870, and the previous Constitution thereupon shall cease.

§ 2. No alteration or amendment of this Constitution shall be made unless the same be proposed at a previous regular meeting, and then posted in a conspicuous place in the rooms of the Association and the text of the same sent to each voting member with the notice of the meeting at which it may be considered, and be finally adopted at a subsequent meeting by the votes of two-thirds of the members present at the passage thereof.

§ 3. By-Laws, Rules, and Regulations, not inconsistent with the Charter or this Constitution, may be made, adopted, altered, or repealed at any monthly or annual meeting; *provided*, the proposed by-law, rule, regulation, alteration, or repeal shall have been proposed at a previous monthly meeting, and then posted in a conspicuous place in the rooms of the Association and the text of the same sent to each voting member with the notice of the meetings at which it may be considered, and shall be adopted by the votes of two-thirds of the members present at the passage thereof.

BY-LAWS

§ 1. No book, journal, paper, picture, statue, or other work of art, the property of the Association, shall be taken from the rooms, under any pretext whatever, except by authority of the Board of Management.

§ 2. On the first day of each month or as soon thereafter as may be practicable, there shall be sent to each member notice of his indebtedness to the Association on the last day of the preceding month, and if the same is not paid on or before the fifteenth day of the month the names of the members so in default, together with the amounts due, shall be posted on a separate sheet in the hall.

In case any such indebtedness shall not be discharged at the expiration of a month from the date of such first notice, a second notice shall be mailed to the member in default, notifying him that further credit will not be extended to him until his indebtedness is discharged, and that in case he continues in such default for ten days thereafter, he will be excluded from all privileges of the Association until such indebtedness is paid, and such member shall thereupon, upon the expiration of such ten days, be so excluded, and notice to that effect shall thereupon be posted on a separate sheet in the hall.

At any time during such exclusion the Board of Management may declare the membership of such delinquent to be forfeited, and his name shall thereupon be dropped from the roll of members.

But before such action shall be taken by the Board of Management, it shall cause a copy of this By-Law to be mailed to the delinquent member.

A copy of this By-Law shall be sent with such second notice.

§ 3. A suggestion book shall be kept at the rooms in which every member is authorized to enter, under his signature, any complaint as to the management of the Association, and any suggestions he may desire to make.

§ 4. *Visitors:*

(a) A member may introduce a guest to the rooms of the Association for one day by entering the name and address of such guest and the date in the book to be kept for that purpose. This privilege may be suspended for any particular day by the House Committee. A member may not introduce the same person as a daily guest more than twice in the calendar year, and may not introduce more than one daily guest on the same day.

(b) A member may invite visitors to the Art Gallery during any Art Exhibition of the Association through signing cards of invitation printed for that purpose, but such cards of invitation shall not entitle visitors to pass to other parts of the house.

(c) A member may introduce guests to the private dining room when he has reserved that room for an entertainment.

(d) The House Committee, at the request in writing of a member, may extend the privileges of the Association for a total period of one month in any twelve months to a guest whose residence is more than fifty miles from the City Hall. Extension of this time may, on the recommendation of the House Committee, be granted by the Board of Management. A member may not obtain from the House Committee such privileges for more than one guest at a time, nor for the same guest more than once in a period of twelve months.

(e) Guests while enjoying the privileges of the Association as provided in paragraphs (a) and (d) are on the same footing as

non-resident members, except that they may not introduce visitors and may not be present at any business meeting of the Association. Nor shall the House Committee grant the same privileges to the same guest more than once in a period of twelve months.

(f) A member who obtains admission to the club-house for a guest becomes responsible for the conduct of such guest and for any indebtedness of such guest to the Association.

(g) The Board of Management may modify these rules to meet special cases.

(h) It is the duty of the House Committee to enforce the provisions of this section and promptly to report to the Board of Management all cases of persistent violation thereof.

(i) In case of violation of any of the provisions of this section, the House Committee may summarily suspend the privileges accorded therein with regard to any member or visitor for a period not exceeding ten days, and in all cases of violation the Board of Management may suspend such privileges for such period as in their discretion the interest of the Association may require.

§ 5. The House Committee shall have the charge of furnishing supplies, employing stewards and servants, keeping the rooms and premises of the Association in order for use, regulating the place, character and the extent of recreation and amusements in the club-house, and enforcing the rule as to admission of visitors. [*Amended November 5, 1927.*]

The care of newspapers and current periodicals is entrusted to the House Committee.

§ 6. The Committee on Literature shall have charge of the Library, and of the supply of books, and shall subscribe for

periodicals and newspapers. Loud or continuous conversation shall not be carried on in the Library, nor, except on Saturday nights, shall refreshments be served therein.

§ 7. The Committee on Art shall have charge of all works of art owned or possessed by the Association; and it shall be their duty to make arrangements for exhibition, at monthly and annual meetings, of the works of artists of the Association, and other works of art, at their discretion. They shall keep a catalogue of the works of art owned or possessed by the Association, or exhibited in its rooms, and shall record therein every such work, with the name of the author, the title of the work, and the time of exhibition. The Committee on Art shall have charge of all decorations of the rooms. No work of art shall be accepted as a gift, or purchased by the Association, until the Committee on Art has made a report thereon to the Board of Management.

§ 8. The expenditures of the House Committee, and the Committees on Literature and Art, shall be limited to such sums as the Board of Management shall prescribe.

§ 9. A perfect list of members, officers, and committees shall be kept posted up in the rooms of the Association; and such list shall be corrected under the direction of the Treasurer and Secretary, from time to time, as changes occur.

§ 10. The above By-Laws shall go into effect on the second Saturday of January, 1870.

§ 11. A Nominating Committee shall annually be constituted as follows. The Board of Management shall at its first autumn meeting propose as candidates for such committee the names of seven members of the Club, of whom two shall be members

of the Board of Management, not eligible for reelection, and two shall be members of the Committee on Admissions. The names shall be posted in the club-house at least twenty days before the December monthly meeting of the Club. At any time not later than ten days before the December monthly meeting, additional candidates may be proposed for the Committee, provided that in each case the proposal, indorsed by twenty-five resident members, be presented in writing to the Secretary of the Club.

All the names proposed by either of the above methods shall be printed in a single list, the names proposed by the Board of Management being designated by an asterisk. From this list, which shall be distributed at the monthly meeting in December, the Club shall elect by ballot the Nominating Committee. Each member may vote for not more than seven names on the list, and the seven candidates receiving the highest number of votes shall be declared elected.

The Nominating Committee shall at the earliest practicable moment post in the club-house the names of candidates for all the positions to be filled. Additional candidates for such positions or any of them, may be nominated, and shall be posted, provided that in each case the nomination, indorsed by fifty resident members, be presented in writing to the Secretary of the Club not later than one week before the Annual Meeting.

The Secretary of the Club shall prepare printed lists of all candidates named by either of the aforesaid methods, the names to be grouped under the titles of the positions to be filled; the candidates for Trustees to be arranged in three groups, designated respectively as Authors, Artists, and Amateurs, and all names proposed by the Nominating Committee to be designated by an asterisk. These lists shall be distributed to members

at the Annual Meeting, and shall serve as ballots in the election, provided that nothing herein be construed to restrict the right of any member to vote by means of written names for persons whose names do not appear in print.

§ 12. An Investment Committee consisting of four members and the Treasurer shall be appointed by the Board of Management annually. It shall be the duty of this committee to supervise the investments of the Club and to advise the Treasurer with respect to the purchase and sale of its investments.

OF THE COMMITTEE ON ADMISSIONS
ADOPTED BY THE ASSOCIATION, DECEMBER 2, 1893

I

THE name, residence, and profession or occupation of every candidate for membership in this Association shall be entered in a special book kept for this purpose; such entry shall be accompanied by the signatures of the proposer and seconder. The Secretary of the Committee may make such entry upon written authorization by the proposer and seconder.
